

Pre-Schoolers Is Popular Course At Antioch Pool

The most popular swimming classes at the Antioch Aqua Center is the class for pre-schoolers four, five and six years old, says Charlotte Queen, in charge of the course.

Swimming classes at the Aqua Center started last Monday. There are about 200 youngsters enrolled in the present two-week series of lessons.

The first course of the day

starts at 9 a.m., a two-hour course in life-saving. The class is divided into two groups, Juniors and Seniors. There are 19 Juniors, 12 to 15 years old, in the course, and 7 Seniors, those over 16. Beginners and Intermediate classes run from 11 to 12 a.m., and from 12 to 1 p.m. About 160 students are enrolled in this course at the present. It takes in children from the first grade up. Be-

ginners learn the rudimentary principles of swimming. The Intermediates start learning the various strokes, the breast stroke, crawl, etc.

Registration for the next series of classes is on Friday, July 9, at the Aqua Center from 1:30 to 3 p.m. The July 9 registration for pre-schoolers is already filled, says Mrs. Queen. There are still a few openings in the series that starts July 26 in this class.

Openings in all the other classes are still available, however. The July 12 series will have swimmers taking the more advanced courses from 9 to 10 a.m., the Beginners and Intermediates from 10 to 11 a.m. From 11 a.m. to noon will be Intermediate.

The courses are Red Cross-sponsored in that all teachers are trained by the Red Cross. Pool fees are charged, however, to maintain the program.

Charlotte Queen is in charge of the program, aided by five instructors. Three of the instructors are approved Water Safety instructors—Lorraine Dziezic, Winnie Sorenson (also Head Guard), and Sherry Lichter.

There are two aids, Dave Fox and Nancy Queen. Each course includes instruction for five days a week for two weeks.

Last year, about 10,000 Lake County youngsters took Learn-to-Swim courses. Red Cross officials estimate that about 50,000 more children in the county should have had water safety instruction but did not.

Frontier Days At Libertyville

Parades, shows, contests, and a colorful assortment of old frontier characters will be just a few of the events in Libertyville July 8, 9 and 10.

Frontier Days are here again, bigger and better than ever. Last year the three-day celebration, with its old-fashioned "wild west" atmosphere drew more than 150,000 people from Lake, McHenry and Cook counties.

If you like parades you'll find them at Frontier Days. There will be a costume parade and a pet parade especially for the kids; the Frontier Days Queen Parade and contest will be held in Cook Park Thursday night, emceed by Jackie Bingert, former Miss Illinois; Milwaukee Avenue will be the scene for bands, floats, marchers, music, clowns, and drill teams as the huge Frontier Days Parade takes place.

One of the highlights of the Frontier Days will be the Pec Wee King show. The nationally known country

and western band will put on a two-hour show in Cook Park.

There will be more free entertainment in Cook Park when Libertyville's own Hank McCormick, world's fastest guitar player, will be featured at a Western Variety Show.

Local talent takes over on Saturday at the Amateur and Variety Show.

Other events will include: a push ball contest, with teams struggling around a gigantic ball in a sea of mud; a fast-draw exhibition; a butterfly boat regatta on Butler Lake; a Civil War Infantry demonstration; a watershow put on by the Sitzmark Ski Club; and a rock 'n' roll dance Saturday night.

There will be rides, booths, and refreshment stands for everyone's enjoyment throughout the celebration. In addition Libertyville merchants will be offering many special bargains at "sidewalk sales."

Local Police Solve Series of Thefts

Two break-ins at Victory Carbide Saw & Tool Co., Antioch, plus a series of burglaries, forgeries and stolen car complaints, were cleared up when Antioch police apprehended Amos Pieper, 38, of Antioch, after he tried to cash a forged check at the IGA in Antioch. Walls was previously arrested by Antioch police some time ago after a series of incidents in which windows were shot out of homes and cars.

The first break-in at Victory Carbide occurred on June 12, with entry gained through a back window. At that time, \$200 in cash and several small items were taken.

The second break-in, on June 19, netted the thief \$45 in currency, plus several rolls of change and payroll checks.

Antioch police were aided in their search for the cul-

prit by the cooperation of several of his victims—Cliff Vanderwerker of Victory Carbide, Ace Hardware, the Jewel Tea Store, King's Drug Store and Jerry's Standard Service.

Young Walls, according to Police Chief Jack Heick, had used some of the money he took to buy a car. He then stole plates for the car in Silver Lake, Wis. He forged fictitious names on the payroll checks he had stolen and also Clifford Vanderwerker's signature to the checks, according to the confession he gave police.

Walls, also known as Jack Walls, had recently been jailed in Kenosha County for theft and tampering with motor vehicles. Kenosha County police also have several forgery charges pending against him.

When he attempted to cash a check at the IGA Foodliner at Routes 59 and 173 in Antioch, they notified the police. Young Walls "took off," according to Heick, and was pursued by Antioch and Kenosha County police at a high rate of speed. He lost control of the car and "cracked up" at the State Line and Route 45—Walls left the car and eluding police, walked to Masek's Service station, where police picked him up.

It is estimated by police that \$600 to \$1,000 in forged checks have been cashed by Walls in Lake and Kenosha counties. They believe at least two juveniles are involved in some of his activities.

Walls is being arraigned as we go to press. Chief Heick commended Sergeant Emil Ehnert, Antioch police, Patrolman Gerald Ave, and the Kenosha County investigators for their work on the case.

WEATHER OUTLOOK

The U. S. Weather Bureau's 30-day outlook from mid-June to mid-July in Illinois is for below normal precipitation.

The average expected is less than three inches over the state. Temperatures for the same period are expected to be above normal in the western two-thirds of Illinois and near normal in the eastern third.

P.O. Closed On July 5th

Regular holiday schedules will be observed by post offices on July 5—a Federal holiday by virtue of the fact that July 4, the usual Independence Day holiday date, is a Sunday.

No delivery services, except special delivery, will be provided.

Street mail collections will be made on a normal holiday schedule, and outgoing mail will be dispatched.

In many cities, post office lobbies will remain open, providing access to lock boxes, stamp dispensers and mail deposit slots.

Restaurant Supply House Opens Soon

Opening of the Blue Ribbon Supply Co., 1813 Glen Flora Ave., Waukegan, suppliers to restaurants, taverns, hotels, industry and institutions, has been announced by Fred W. Losch, president of the new firm.

A lifelong resident of Waukegan, Losch has headed the Fred W. Losch Beverage Co. in Waukegan for the past 20 years.

The new supply firm will carry a complete line of kitchen and dining supplies, and sanitation chemicals.

Plans are now being completed for the construction of a display room and warehouse at 1813 Glen Flora Ave., Losch disclosed.

Losch said he will continue to operate the distributing company, pointing out, "After all I have seven sons for whom jobs will have to be created."

Meet To Discuss Bong Base As Site For College

A meeting is planned for July 12 to investigate the possibility of establishing a college at Bong Base.

The meeting will be held at the Brighton Town Hall near Burlington at 8 p.m. Attending the meeting will be representatives of the Tri-County Educational Organization, area legislators, members and officials of the Southeastern Wisconsin Planning commission, the Bong Base Surplus Properties Commission and Norman C. Herro, established developer of Bong Base.

A full presentation of why the Tri-County group favors and promotes Bong base as the site for a college will be made, along with their reasons for opposing other uses for the base.

215 Cars Go Through Safety Lane

A total of 215 vehicles went through the safety check lane at the Antioch parking lot last Saturday. Five of the vehicles checked were trucks.

Sixty-five of the vehicles were found to be faulty. Of these, eleven had the mechanical trouble repaired promptly and went back through the lane for the final O.K.

Of the more than 200 examined, the following mechanical faults were found: five, brake trouble; 12, front lights; 18, rear lights; 43, steering; 6 bad tires; 10, exhaust systems; 6, glass; 5 windshield washers or wipers faulty; 2, rear view mirrors, and 3, bad horns.

The examiners took a seat belt survey at the same time. Ninety-five of the cars had seat belts, of which five had safety belts both front and rear seats. One hundred twenty cars were without seat belts.

Of those having seat belts, 46 owners used them always, 36 used them sometimes, and thirteen, never.

On longer trips (25 miles and over), sixty-five used them always; 24 sometimes and six, never. Police Chief Jack Heick declared he was well-pleased with the number of car-owners availing themselves of the safety check-up. Most of the cars examined were local cars.

Trap Shoot At NICC

If you miss the Fourth of July fireworks, visit the grounds of the Northern Illinois Conservation Club this next Sunday.

The club will celebrate July 4 with a "Big Bang" trap shoot. Marksmen will be competing for prizes of meat and merchandise.

All sorts of sporting equipment—sleeping bags, shooting vests, what-have-you—will go to the men who can break the most clay pigeons.

Shooting will start at 10 a.m. and continue until dark. The trap shoot will be at the club grounds, about three miles west of Antioch on Route 173.

County Residents Buy Savings Bonds

Lake County residents purchased a total of \$321,581 in series E and H United States savings bonds in May, according to Philip L. Speidel, Lake Forest, general county chairman of the savings bonds committee.

Sales in the state of Illinois were \$25,067,454 according to Arnold J. Rauert, state director of the Treasury's savings-bonds division. This represents a decrease of 7.7% from sales for last May, and accounts for 7.2% of national sales which were \$355,957,000.

Charter Issued To New Corporation

The office of Secretary of State Paul Powell announces that a charter has been issued to Oink, Inc., at 401 Windsor Drive, Antioch, Eola R. Burns, for the manufacturing and marketing of housewares and automotive and aircraft engine accessories and products.

Completes Home Nursing Course

Mrs. Dolores Abderholden, Antioch, is one of eight Lake County women who graduated from the Red Cross Home Nursing Course, completed June 25 after five days of instruction.

Mrs. Abderholden plans to teach the course for the residents of her community.

Because of the Fourth of July holiday, the Antioch News office will be closed Saturday through Monday, July 3-5. The paper will be published on Thursday, July 6th, as usual.

Vie For Title Of Miss J.C.

Bob Lindquist, chairman of the Jaycees' annual Beauty Contest, reports that entries for the title of Miss J.C.

Avon Dyer

Kathy L. Smith

Lake Region Jaycees are coming in.

Miss Avon Dyer, 626 W. North Ave., Antioch, is among the first entries. Avon is 18 years old, 5 feet 5 1/2 inches tall and weighs 129 pounds. She graduated from Antioch High School this spring.

Her hobbies are dancing, swimming, reading and playing the piano. For her contest talent act, she will present a comic monologue. She's sponsored by the V. B. Lubkeman Co.

Miss Kathy L. Smith, Rt. 1, Box 183, Lake Villa, will also be competing for the beauty queen title. Kathy is 18 years old, 5 feet 4 inches tall and weighs 110 pounds. Kathy also graduated from Antioch High School this spring. Her hobbies are sewing, swimming and bowling. She's sponsored by Roiner's Insurance.

Entries in the beauty contest must be in by July 24. The girls must be between the ages of 16 and 21. Entry blanks can be obtained from the Jaycees' information booth at the corner of Lake and Main.

The 1965 Beauty Queen will be crowned at the Lions Club Bar-B-Q on August 8.

Mother of Seven On Trial For Murder

The trial of Mrs. Cynthia Schmidt, 28, of Camp Lake, Wis., for the murder of her husband, Donald, 36, on April 25, began Monday morning in Circuit Court in Kenosha with Judge M. Eugene Baker presiding.

Mrs. Schmidt is accused of beating her husband to death with an ax and in "her home after a quarrel. She has pleaded innocent by reason of insanity.

New Well Pumps 600 Gal. A Min.

Better water for Antioch residents is in the offing with completion of drilling of the new village well last week. Incidentally, Antioch had its highest pumpage in history on June 28—600,000 gallons in 24 hours, says Todd Mapletorpe. "About one-half of it must have gone on the lawns," Todd said, "because we only got about half of it back at the treatment plant."

The new well will pump 600 gallons of water a minute with ease. It has pumped up to 900 gallons a minute, but they won't push the pump this hard regularly, says Todd.

A pilot treatment plant was set up and run at the new well to determine hardness and minerals in the water. The new well has a little less iron, they found, but more hardness. The pilot treatment showed that they would have no trouble installing a filtration plant which would produce good softened water.

The 600 gallons a minute produced by the new well compares with 550 gallons a minute produced by well No. 3; 200 gallons a minute from well No. 2, and about 150 a minute from well No. 1. Well No. 1 and 2 will probably be reserved for emergencies in the future, according to present plans, with wells 3 and 4 supplying the village with water.

Water from the new well is not being used yet, but it is being pumped to get rid of sand, etc. Bids on new water mains, sewer extensions and a pump for the new well will be opened at the July meeting.

With the hardness of the water from the new well determined, village engineers will be able to draw up specifications for the new filtration plant. Completion of the plant is expected by Christmas.

Form New Law Firm

Formation of the law firm of Hartnett, Christian and Collins has been announced by William E. Hartnett, Richard C. Christian and Peter J. Collins.

The new firm, the successor to the firm of Hartnett and Collins, has established offices at 9 S. County St., Waukegan, and will engage in the general practice of law with special emphasis on personal injury litigation, labor law and criminal law.

Hartnett, a native of Chicago and a 1947 graduate of the University of Virginia Law School, is a specialist in labor law having served as a trial attorney for the National Labor Relations Board and as a member of the American Bar Association's subcommittee on practice and procedure before the NLRB.

A resident of Grayslake, Hartnett was elected to the Illinois General Assembly in 1964 after serving as chairman of the Lake County Democratic Central Committee from 1962 to 1964.

A native of Waukegan, Christian received his Bachelor of Law degree from the University of Illinois and his Doctor of Law degree from Northwestern University in 1954.

After being admitted to assistant city attorney under former Waukegan Corporation Counsel Frank M. Daly, Christian served as the first legal adviser to the Lake County Health Department and was appointed Special Assistant Attorney General for the State of Illinois in charge of condemnation proceedings for the acquisition of right of way for the Illinois Toll Road in Lake County.

In 1961 he was appointed Lake County Public Defender and during a two year term appeared as counsel for more than 300 indigent defendants.

Married and the father of four children Christian recently attended a special course for Defense Attorneys in Criminal Cases at Northwestern.

Collins, also a native of Waukegan, is currently serving as Assistant Attorney General for Lake County specializing in the levying of state inheritance and estate taxes.

A graduate of Knox College in Galesburg, Collins received his Doctor of Law degree from DePaul University in 1962 and was admitted to practice in November of the same year.

In 1964 he formed the firm of Hartnett and Collins and in the same year he was the Democratic candidate for Lake County Coroner.

He is married and the father of two children.

WEEKEND GUESTS

Mr. and Mrs. George Cermak, Lake Worth, Florida, were weekend guests of their sister-in-law, Mrs. Vene Cermak and her children, David Street, Antioch.

Haling Starts Fund For Burned Boy

Charles Halting, of Halting's Resort on Grass Lake, has started a fund for 5-year-old Mark Frerks, the Grass Lake boy who was badly burned on June 3.

The fund is to pay for treatment given Mark while he was in Victory Memorial Hospital. Mark is now at the Shriners Burn Institute in Cincinnati, Ohio. His treatment there will be free.

"The family has no hospitalization," Halting said, "I don't know the exact amount of the bill at Victory, but I'm quite sure it was at least \$1,500. If we could get that much I'd be happy. Mark's mother, Betty, was also burned and was in the hospital. She's home now but still under the doctor's care. The family will take care of that themselves, but I don't see how they can handle that big hospital bill."

Mark is the youngest of four children. He was burned when a gasoline can exploded. His mother was burned putting out the fire in his clothes.

Haling was instrumental in starting the move, to have young Mark flown to the Shriners Burn Institute. Mark will be there from six months to a year for treatment and skin grafts. During that time, he will need blood donors. Anyone wishing to donate blood for his use can do so at the Jacob Dumberg Memorial Blood Bank in Waukegan. Donors should specify it is for Mark Frerks.

Anyone wishing to donate money should make the check out to the Mark Frerks Fund and mail it to Charlie Halting, Rt. 1, Box 205, Antioch. "I'm opening an account for the fund at the State Bank of Antioch," Halting said. "I have about \$150 so far."

Rescue Squad Calls For Last Week

Three of the five calls that the Rescue Squad made last week were on Sunday.

The squad took Ellen Merten, 68, of 149 Fifth Ave., Antioch, to Victory Memorial Hospital on June 27 suffering from a probable coronary attack.

On June 26 C. E. Danials, 39, of 7016 W. 77th St., Chicago, was taken to Victory Memorial Hospital by the squad after suffering an apparent heart attack.

On June 27, Gustav Skelander, 72, of 780 Main St., Antioch, was taken to a local doctor's office after suffering a chin laceration in a fall.

Frank Dellatre, 70, of Box 211, Antioch, was taken to Downey Hospital on June 27 with a broken right ankle.

On June 29, Mrs. Brady, 62, of 6185 N. W. Highway, was taken to Victory Memorial Hospital with a broken hip.

Legion Carnival In Town Next Week

The carnival is coming to town—next week. The annual American Legion carnival will be at the village parking lot from July 6 (Tuesday) through July 11.

It'll be complete with rides, booths, and all the usual lights and music of carnivals. The Antioch Grade School PTA will have a dessert booth on the grounds,

Assembly Acts On Traffic Safety Laws

Secretary of State Paul Powell's bill to require that 16 and 17 year old applicants for driver licenses have passed an approved driver education course to qualify for a license, won approval of the Senate Committee on Highways and Traffic Regulation by a 13 to 0 vote.

—This completes legislative committee action on Secretary Powell's traffic safety measures. His proposal that drivers be notified 30 days in advance of the expiration date of their licenses and to reflectorize motor vehicle license plates have been passed by both Senate and House and signed into law by Gov. Otto Kerner. Mr. Powell's bill to increase from 18 to 21 years the period during which parental or guardian consent is required to obtain a driver license has been passed by both Senate and House and is awaiting action by the Governor.

Another bill sponsored by Paul Powell, HB 1335, which would require annual inspection for passenger cars and semi-annual inspection for trucks was rejected by the Senate Committee on Highways and Traffic Regulation by a 10 to 7 vote. A bill to require safety inspection of used cars prior to resale now awaits action by the full Senate.

EDITORIAL

Freedom — Today and Ever

The Fourth of July — Independence Day for the United States. Do the noble, ringing phrases that have been spoken on other great days in America's history, become hackneyed through use?

Not to the ears of those who struggle to make them or keep them an actuality. In 1776, Americans had died that America might be free. Many have died since to keep America free, and to help others to keep or realize this sweetest possession.

Today, American boys are dying in Viet Nam, many declare their death is useless. Some cynics say the people that they fight to keep free aren't ready for freedom — that they won't know what to do with it when they get it.

Perhaps not. Perhaps they'll make many mistakes. Perhaps they'll lose their freedom, and men will die again to salvage it.

Was America ready for freedom? Can she keep her freedom? We've made many mistakes, and we've lost some of our freedoms. But we still fight to keep that basic principle, and to help others to gain it. America is still the defender of the right of every man not to be enslaved. "Give Us Liberty or Give Us Death" — "Equal rights to all, Special Privileges to none" — at times they seem hackneyed, the fault is not in the words, or what they stand for, but in the minds of those who hear.

As We Start The Eightieth Year

Happy Birthday to us!

The Antioch News starts its eightieth year of publication with this issue. Note the volume number on the masthead — LXXX.

Eighty, we'll grant you, is a ripe old age, and a great deal of news has flowed through the pages of this newspaper in those eighty years. Established in 1876, the News has recorded the growth of Antioch from a horse-and- buggy town — literally — to the present modern, thriving town.

Recorded in the paper have been the high spots of the lives of many of the towns residents — their births, graduations from school, marriages, the births of their children, and finally their death notices. The growth of the schools in the area, new streets, new businesses — it's all there, in the pages of past issues.

The joys, the sorrows, the growth, the progress, the failures — the life of a whole town is recorded. The days when Antioch was the center of a farming community, when the growing use of cars first made it a resort center, prohibition days, war days — and the lists of the boys who went into service, the names of those who returned and the names of those who didn't.

Week by week, down through the years. And even when the News office burned, the paper came out on its publication date.

History is the lives of people. What will the Antioch News record in the next eighty years?

Courthouse Notebook

BY LOU DURKIN

The appointment of John Morris as full-time superintendent of the County Public Works Department confirms the worst fears of many opponents of the new department.

The \$10,500 a year post means the department will be a full-fledged working department of the county government instead of an advisory and consulting agency with little actual power or authority.

Much of the sales talk used to enlist the support of wavering county board members was based on the coordinating and advisory roles the department was destined to play, but it required little imagination to foresee the day when the department would be an operating agency.

The Public Works Department has already taken over two private water and sewer systems and has plans to add other private systems to its lineup.

Eventually, of course, the county will operate a massive water and sewer system serving substantial portions of the county without regard to municipal or township lines, a reasonable position since water supply and sewage disposal problems are not particularly careful about local geographic boundaries.

Given half a chance we think the Public Works Department could become a model for other counties with similar problems to follow.

In fact we foresee the day in the near future when the county board will be criticized because the department was so long in being established.

The county board, which has never been noted for swift action, almost waited too long to submit a resolution to the Illinois General Assembly calling for a county government commission to study county re-apportionment among other subjects.

The resolution was too late to prevent passage of a House bill that would divide Lake County into nine supervisor districts, but there is still hope for rejection by the State Senate.

There is a strong suspicion that the Democratic-dominated House was not 100% sincere in its pressure for county re-districting since the vast majority of the counties to be carved up under the bill are Republican strongholds with strong Democratic pockets.

It is barely possible that State Representatives William E. Hartnett, Howard R. Slater and Daniel Pierce, Democrats all, had visions of a nine man county board with two and possibly three or four Democrats in place of the four or five on the 37 member board which now serves Lake County.

Since the county bill is tied in with the strongly partisan fight over legislative re-apportionment there is little likelihood of its passage unless the GOP-controlled Senate needs a concession to preserve its own Republican image.

The Lake County Crime Commission must have hurt

the feelings of quite a few Lake County citizens when the "list of qualifications" it feels a candidate for Sheriff should possess.

The inference seemed that none of the men who have been identified as possible or potential candidates would fill the bill, an inference that tends to strengthen the belief that the commission has plans for offering a candidate of its own.

Of course the by-laws of the Crime Commission prohibit political activity, but it doesn't prohibit individual members acting on their own.

The Lake County Democratic Central Committee takes the spotlight for the next event on the political golf outing calendar.

The Democrats will hold their annual golf fest on July 14 at George Diamond's and we can expect to hear any day now that Gov. Otto Kernor will or will not be present.

For the benefit of those who turn out for the event it is to be hoped that Host Diamond allows them the use of the old course.

The level of golf at the Democratic outing will probably be well below that on display at the fourth annual Miller High-Life tournament which Mill Distributor Stan Cory has scheduled for Aug. 23 at Riverwoods, near Deerfield.

No word yet from GOP Central Committee Chairman Bob Milton regarding the Republican golf party so it can't be this week.

Danger of Guns

"A child with a gun . . . Playful laughter, a shot, a bullet hits its mark and imbeds in flesh and bone . . . tragedy."

"Who's at fault? The parents who overlook a deadly weapon placed in a drawer, the closet, or in view, or is it the child who toyed with the strange, interesting and colorful object in which only the pull of a trigger spurs a deadly flame of death."

"Perhaps everyone is at fault, as every day, every week and every year children, teenagers, and adults foolishly kill themselves or others playing with a deadly weapon that supposedly is not loaded."

"And most generally it is the 'unloaded' weapon that destroys a human life by unleashing death or permanent injury to a loved one."

"The 'unloaded' weapon which looks harmless neatly tucked away, is the cause."

"Or could it be human error that is to blame?"

"Nevertheless what is the answer, the cure, to stop this self destruction?"

"The answer could lie in common sense, proper warnings, gun handling instructions and the knowledge that a gun can kill plus the fact the weapon should be safely locked away somewhere."

"It is the parents' responsibility to teach and the child's responsibility to learn."

—The Chillicothe Bulletin.

Your Congressman Reports.....

By Cong. Robert McClary

Few issues before the Congress pack the emotional wallop of the pending Immigration Bill. In addition, few measures have evoked as great a volume of correspondence, petitions, etc. The Immigration Bill which consists of amendments to the so-called Walter-McCarran Immigration Act of 1952 has been regarded by some as an opening of the floodgates for wholesale admission of Orientals, Africans or—even worse—Communists.

Congressman Michael A. Feighan, Democrat of Ohio, a staunch subscriber to Americanism programs of the American Legion and various patriotic groups, has served as chairman of the Immigration Subcommittee considering this important legislation. Recently Congressman Feighan declared that the hearings conducted by his committee have established one central fact beyond any doubt: "that our present method of immigrant admissions, involving several systems, is inadequate, misleading and in need of immediate revision."

With respect to those who regard the national origins and quota system as inviolate and indispensable, a few developments under this system may come as quite a shock. For instance, with a Greek quota of 308 per year, more than 2,500 Greek immigrants have been actually admitted during each of the past ten years. During the same period, with an Italian quota of approximately 5,000 per year, more than 15,000 per year have been admitted; and with a Japanese quota of 185 per year, almost 5,000 per year have obtained immigrant status.

While the established quota limit under the national origins system was established at 158,361 per year, the fact is that more than 300,000 immigrants have been admitted annually under the existing program.

In the bill sponsored by Congressman Feighan, the following new principles would govern our nation's immigration policy: (1) an overall ceiling of 225,000 immigrant admissions per year "for all purposes" would become effective; (2) existing preference waiting lists would be wiped out with the exception of the waiting list for Italy which is now in excess of 100,000 and will take some time to satisfy; (3) immediate family members of United States citizens will receive first consideration enabling families to be reunited where the relationship is that of spouse, child, parent, or sister; (4) professional persons with skills and talents needed in the United States will be granted immigrant status without delay; (5) other persons with skills found by the Secretary of Labor to be unavailable or in short supply in this country would be entitled to preference; and (6) refugees from Communist tyranny in limited numbers would be granted temporary refuge in this country upon a finding that they were unable to return to their homelands.

Residents of the 12th Congressional District of Illinois have a particular interest in the proposed Immigration Bill by reason of the fact that members of many nationality groups have taken up residence here, principally in Lake County. Large communities of Poles, Lithuanians, Greeks, Latvians, Estonians, Finns, Swedes, Slovenians, Slovaks, Serbs, Ukrainians, Croatians, Armenians and others in the Waukegan-North Chicago area as well as the large number of Italians located in the Highwood area provide a great living testimony of experience with existing immigration laws and the importance of revisions along the lines recommended by Congressman Feighan and his colleagues on the Immigration Subcommittee.

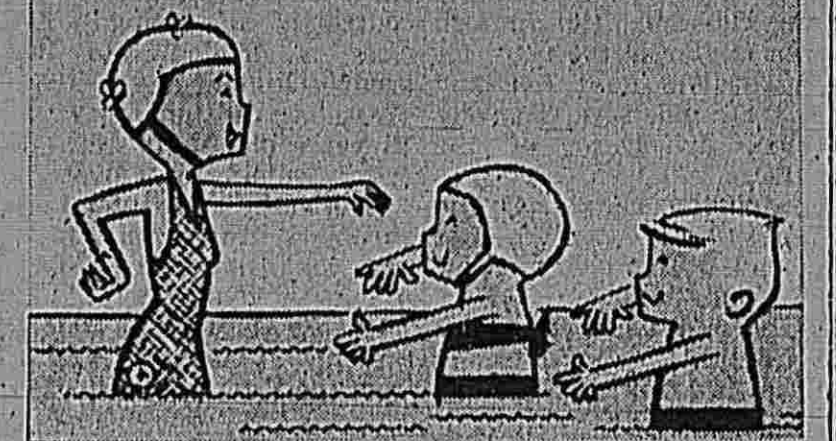

The measure has yet to come before the House Judiciary Committee, where it may undergo further amendments before reaching the House Floor. All that seems certain at this time is that substantial amendments to the existing immigration laws will be enacted at this session of the Congress. In the words of Congressman Feighan: "The time has come for a selective immigration program with qualitative and quantitative controls—geared to our domestic requirements and consistent with our international commitments."

ANTIOCH AQUA CENTER SWIMMING TIPS

Learn to swim correctly

Seeds In the Wind

Once in a while an idea really grabs a man.

There are lot of ideas that drift about in the fall wind. Most of them float past and are gone. Once in a while one quietly settles, and starts to take root in the mind. And, like the energy released as a tiny grass blade splits the rock, the new idea begins to stretch the mind.

It has been said once a man's mind is stretched by an idea it will never assume its previous shape. The stretch takes place in a variety of ways—gradually, almost imperceptibly, silently, or the idea may explode with on obvious sudden thunder. The shape may become that of warm sun, fertile fields, lofty peaks.

Or . . . dark dank caverns, bramble thickets, rock-strewn valleys.

An idea can carry us by way of fresh, open, exciting pathways into a big world that allows freedom and space and love for the family of man.

Or it can squeeze us by way of selfish, greedy, fearful detours into an ever-narrowing tunnel that deprives us and our associates of all honor and privilege.

You may fling open the doors of your life to the idea that love does make the world go round . . . or you may entertain the idea that the world owes you a living. You may decide to give your best to whatever job you accept . . . or you may decide to grab the best from whom ever you encounter.

Few men who choose the latter are cornered by the strong arm of the law, and subjected to the terrors of public opinion. But they are shaped, and they well know to what extent. Any idea, once accepted, will stretch you. Choose well the seeds you tend.

SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

WHO GETS GOUT

Contrary to popular belief, you don't have to be rich, famous or glutinous to suffer the discomforts of gout.

In fact, gout shows no significant social, racial or national preference at all. Though it is sometimes hereditary, it can strike anyone, anywhere, at any time.

What is gout? A disturbance in your body's chemistry which frequently leads to arthritic conditions. It is brought about by an excess of uric acid (one of your body's chemicals) which your system can't excrete.

Where does this excess amount of uric acid come from? No one knows for sure, but some physicians believe that an over consumption of such foods as liver, kidneys, sardines and sweetbreads—coupled with a breakdown of the body's functions—may bring about this condition.

When you develop gout, the uric acid normally excreted by your kidneys has a tendency to be deposited in cartilage form (bone formation) in the joints of your big toe, instep, ankle or knee and sometimes in several joints at the same time.

How does an excess of uric acid harm you? In several ways. Not only are you in danger of developing uric acid kidney stones, but uric acid deposits usually grow until they form masses of chalky deposits known as "tophi." The joint inflammation caused by these tophi is quite painful.

How can you recognize a gout attack? Usually it is quite sudden and most frequently the pain strikes at the end of the joint at the base of your big toe.

You will experience pain, swelling, redness and warmth of the joint. The skin around the joint becomes very tender, shiny and will take on a purplish color. You may even suffer fever and chills.

Who gets gout? Usually men between the ages of 30 and 50. It is very rarely found in children or women before their menopause. The younger the victim, the more severe the case and the more difficult to cure.

What triggers an attack? While it usually occurs without any apparent reason, some sufferers find their attacks are triggered by a variety of incidents, such as

emotional upsets, acute infection, surgery, various forms of drugs, injury to joints . . . even weather changes.

To safeguard your health, seek advice from your doctor at the first sign of gout. If you follow his instructions while gout is in its early stages, you can be assured gout will neither cripple nor seriously interfere with your daily life.

Peace Corps Test On July 10

An opportunity for Antioch area residents to offer their abilities to the Peace Corps will come at 9 a.m. Saturday, July 10, at the Federal Building, 325 West Washington St., Waukegan.

The opportunity is the Peace Corps Placement Test, which is not passed or failed and you can't study for it. It measures general aptitude and the ability to learn a language. If, for example, test scores indicate limited language acquiring ability, the Peace Corps tries to place the applicant in an English speaking area. The test is used by the Peace Corps only as a tool in the matching of Volunteers and jobs. The Peace Corps application is the most important indicator of suitability for Peace Corps service. It must be filled out and brought to the exam unless previously submitted.

Applicants should plan on about one and a half hours at the testing centers, unless they wish to take the Spanish or French language achievement test, which requires an additional hour.

Last Carmel High Honor Roll of Year

The final honor roll of the school year at Carmel High School in Mundelein lists 217 students, 78 making the first honor roll requirements of a 3.5 average and no grade lower than B. Second honors students must have a 3.0 average and no grade lower than C.

Students from Antioch who made the first honor roll are Lynn Szymoniak, Robert Sedivec, Susan Sedivec, Kirk Vistain and Julie Ann Zanini. Students on the second honor roll were Christine Moser and George Sedivec.

Local Real Estate Market Follows National Trends

Trends in the residential real estate market of the Waukegan-Lake County area resemble in many respects the national pattern, said William G. Schwandt, president of the Waukegan-Lake County Board of Realtors, today.

Mr. Schwandt explained he had recently received the results of a nationwide survey conducted by the Department of Research of the National Association of Real Estate Boards, to which it was possible to compare local market conditions.

While it is well known that real estate markets vary from city to city, and even within sub-areas of a city, there are often generalizations and comparable trends, said Mr. Schwandt. "Thus we find that the Waukegan-Lake County area, like many other communities of the nation, has a strong demand for single family homes—a demand that is greater than was predictable a year ago, though we expected a population increase and a continuation of prosperity."

He said that while consumer interest in both existing and new homes in Waukegan-Lake County area is strong, existing homes continue to attract more inquiries. This is also a national trend, he reported.

Buyer demand for existing homes is "up substantially" in 11 per cent of the market areas, said Mr. Schwandt, giving statistics of "up moderately" in 41 per cent, "about the same" in 32 per cent, and "down" in 16 per cent.

The Waukegan-Lake County area should be interested to know that it is in about the same category mentioned above, he added.

"Prices nationwide are about the same as a year earlier. For example, for houses built in 1950 or later and selling in the \$15,000 to \$25,000 range, prices are unchanged in 49 per cent of the area, higher in 30 per cent, and lower in 21 per cent. In the Waukegan-Lake County area they rank generally in the last category," he said.

"The Waukegan-Lake County Board of Realtors has always encouraged home maintenance and improvements. Aside from the comfort and enjoyment provided the owner, condition is an important factor in a house's resale value. Neglect is costly, as reflected in the current market. Prices for houses in poorly maintained

areas are down in 60 per cent of the communities taking part in the survey, while for older dwellings in well-maintained neighborhoods values are strong.

"One interesting thing about the market," said Mr. Schwandt, "is that many people do not realize that mortgage funds are readily available for qualified borrowers."

"Often we hear of people renting and saving until the day they can purchase a home. Under current market conditions, with lenders actively competing for borrowers, families wishing to become home owners may well be advised to consult a Realtor regarding their qualification as a buyer. They may be pleasantly surprised," he said.

U.S. Survey Shows Value of Education

A survey by the U. S. Chamber of Commerce shows a direct correlation between education and earning power. It also reveals:

- That higher education levels in a community lead to higher per capita retail sales.
- The more education a person has, the greater his interest in political affairs.
- Free enterprise economies receive the greatest support from those with the highest level of education.
- Magazine circulation varies with educational level—the more education, the higher the circulation.

Education develops people's potential skills and understanding. They become more efficient producers, more discerning consumers, better able to use and value political and economic freedom. These are essentials of an expanding competitive economy under representative government.

Symbol of Better Health

Medical Emblem of Greek Origin

The caduceus, emblem of the medical profession, is derived from the staff carried by the god Hermes in Greek mythology. Among the Greeks it was the mark of heralds and ambassadors. . . today it heralds better health for the entire community.

Whooping Cough In Area, Says Baker

Several cases of whooping cough involving small children have been reported in the Waukegan area during the past two weeks, Dr. A. G. Baker, Director of the Lake County Health Department, warned today.

Whooping cough is a communicable disease that is particularly dangerous to small children. It can be prevented by a series of three immunizations, best started at two months of age.

Parents should begin immunization of their children against whooping cough, diphtheria, and tetanus at

two months of age. Three doses of vaccine are required, with a booster dose one year later, and a second booster at the time of entrance to school. Non-immunized infants who have been exposed to a case of whooping cough can be given temporary protection through the use of special serums.

Older children who are recovering from whooping cough are required to remain isolated in their home or on the premises for a period of three weeks from the onset of whooping cough.

Parents who are unable to obtain immunizations from a private physician may con-

Excise Taxes Due This Month

Excise tax deposits are due this month, E. C. Coyle, Jr., District Director of Internal Revenue in Chicago, announced.

Manufacturers, retailers, and others, liable for more than \$100 of excise taxes for May must place such taxes in a depository no later than June 30, 1965.

Form 537 should be used for this purpose. Deposits must be made in a Federal Reserve Bank or an authorized depository.

THURSDAY, JULY 1, 1965 THE ANTIOCH NEWS 4

Mr. and Mrs. Dennis D. Dretske

Alshouse-Dretske Rites At Antioch Methodist Church

Antioch Methodist church was the setting June 19 for the ceremony uniting Miss Darlene A. Alshouse and Dennis D. Dretske. The Rev. Donald Cobb performed the double ring ceremony. They are the daughter of Mr. and Mrs. Paul Alshouse, Antioch, and the son of Mr. and Mrs. Martin Dretske, 3151 Dugald, Waukegan.

The bride, given in marriage by her father, wore a traditional floor length gown of silk organza over peau de soie, applique of seed pearls and alencon lace accents controlled front with chapel train. Her fingertip veil was held in place by a jeweled tiara with seed pearls.

The bride carried a white Bible with white roses and Stephanotis, a gift from the groom. Matron of honor was Mrs. Audrey Murray, Colorado Springs, Colo., and bridesmaids were Mrs. Barbara Dretske (Martin), sister of the groom, and Miss Wanda Cieslak, of Round Lake. Attendants wore floor length gowns of powder blue silk organza over taffeta, bell shaped skirts and fitted bodice, white lace at waistline. They wore matching hats trimmed with circular illusion veils.

Martin Dretske, brother of the groom, was best man. James Davis of Grayslake and Charles Alshouse of Libertyville served as ushers.

The bride is a graduate of Antioch Community high school and the bridegroom is a graduate of Waukegan Township high school.

By Lillian Birdsell

Five candidates became new members of the Women of the Moose at a meeting held at the Antioch Moose Lodge last Thursday, June 24, at 8 p.m. They were as follows: Jerry Andre, sponsored by Gerri Mark; Lucile Eberman, by Gladys Schroeder; Ruby Hadley, by Jane Craner; Lillian Lomma and Eva Wood, by Lillian Birdsell. Refreshments were served following the meeting.

Sunday, June 27, the Antioch Moose Lodge was host to the Third District Winner Legion No. 74, where the installation of new officers and the initiation of new Legionnaires took place.

New officers installed were Roy T. Clapp of Waukegan as North Moose, replacing Ed Petersen of Antioch, who resigned; Joseph Brooks of Highland Park, as South Moose; Henry E. Hanner of

NEW OFFICERS OF THE ANTIOCH WOMEN OF THE MOOSE. Left to right, Vi Loursen, Shirley Gehris, Rose Roth, Jerri Polson, Pearl Anderson, Lillian Birdsell and Evelyn Miller.

Receives Degree In Dentistry

Eric A. Hohnwald, Jr., son of Mr. and Mrs. Eric A. Hohnwald, Sr., of 3258 S. Hoyne Ave., Chicago, received his D.D.S. degree from Loyola University School of Dentistry this month during ceremonies held in the Aric Crown Theatre at McCormick Place. The Hohnwalds are former residents of Channel Lake. Dr. Hohnwald attend-

Dr. Eric A. Hohnwald, Jr.

ed Antioch High School and graduated from Kelly High in Chicago.

He is a member of Sigma Tau Gamma fraternity of Valparaiso University in Indiana where he received his B. A. Degree. He is also a member of Psi Omega of Loyola University in Chicago. Hohnwald also attended the University of Chicago.

He and his wife, Karen, were guests of honor at a party held on June 8 and attended by close friends and relatives.

PAT MONGAN GRADUATES HAWAIIAN STYLE

Palm trees swayed in the soft breeze, as though keeping time with the background of Hawaiian music. Royal Poinciana trees were brilliant scarlet blossoms, the Plumeria and Hibiscus bloomed in pink, white, gold and red.

Such was the setting for Kailua High School Commencement. There were Wongs, Changs, Chans, Kims, Ito, Lums and Horikawas, but only one Mongan.

Patrick Mongan, former Antioch resident, was among the 646 seniors to graduate. Twenty-seven in the top ten per cent graduated as members of the National Honor Society, including Pat.

After the diplomas were awarded each graduate was presented with the traditional lei of orchids. Pat will attend the University of Hawaii this coming September.

Pat Mongan is the grandson of Mr. and Mrs. Earl Gibbs of Antioch.

Capped At School For Nursing

Miss Melody Filip was capped at a candlelight ceremony at the Kenosha Vocational School of Practical Nursing on June 10. Miss Filip has completed the pre-clinical part of the year course. At the completion of the course, she will be able to take the Practical Nursing State Board examination and become a licensed practical nurse.

Miss Filip will begin her hospital experience in the Medical Service at Kenosha Memorial Hospital.

Highland Park as East Moose, and Seth Mark of Antioch as West Moose. The treasurer is Garold Roberts of North Chicago and V. A. Dionne performed the services of the installing officer.

New members of the Winner Legion No. 74 are Jerry Miller, Charles Seelhoff, Edward Koubar, Robert Hadley and Arthur LaFlamme, all of Antioch; Robert Carr and Paul Willis of Highland Park; Alton Blase and Lionel Powell of Racine.

A turkey dinner was served the Legionnaires and their ladies following the meeting.

There will be an initiation of new members for the L. O. O. M. Saturday, July 17, at the Antioch Moose Lodge.

The Women of the Antioch Moose Lodge will hold a meeting Thursday, July 1, at 8 p.m. College will have charge of the meeting and all new officers, chairmen, escorts, guides and appointed officers are asked to wear their formals.

Mr. and Mrs. Edward Alan Martin

Wed In Double-Ring Service At Prince of Peace

Carole Lee Plotzke became the bride of Edward Alan Martin in a double ring service at 11 a.m. Saturday, June 5, at Prince of Peace Church at Lake Villa. The bride was given in marriage by her father. The Rev. David J. Lynch performed the marriage service.

The bride is the daughter of Mr. and Mrs. Frank W. Plotzke, 1804 E. Fairfield Drive, Lindenhurst. The groom is the son of Mr. and Mrs. Edward N. Martin, 1700 Buena Ave., Lake Villa.

The bride wore an organza gown styled with portrait neckline, elbow length sleeves and a bell skirt falling into a full chapel train. Reembroidered Alencon lace trimmed the bodice and cascaded down the front. An organza bow trimmed the back waistline. For her headpiece, the bride chose a small pill box of reombroidered Alencon lace trimmed with twin roses, highlighted with pearls and crystals which held her three-tier veil. She carried a semi-erect shaped bouquet of white cymbidiums.

Donna Gregge, cousin of the bride, was maid of honor. The bridesmaids were Joanne Gleffe, Norridge, Illinois,

cousin of the bride; Mrs. Henry (Joanne) Skogstad, Antioch, and Mrs. Deryl (Jane) Denman, Flint, Mich.

The bride's attendants wore floor-length sheaths of pink crepe with controlled skirts. The empire waistlines were banded with satin. Their matching pink hats were horsehair tulip roses and petals on a disk with blusher veils. They carried semi-erect shaped bouquets of pink cymbidiums.

Robert Martin, brother of the groom, was best man. Ushers were Robert Plotzke, Lindenhurst, brother of the bride; John Wilcox, Roscoe, Ill., fraternity brother of the groom; Dave Isabell, Waukegan, Wis., fraternity brother of the groom; Jim DeVos, McHenry, cousin of the groom and Dick Cronheek, Waukegan, fraternity brother.

A reception was held at the Rustic Manor. The couple honeymooned at the Wagon Wheel.

Both the bride and the groom graduated from Antioch High School. The groom is a graduate of Carroll College, where he was a member of Tau Kappa Epsilon.

Mr. and Mrs. David Heath

Urban-Heath Wedding At Methodist Comm. Church

Miss Gail Urban became the bride of David Heath in ceremonies at the Methodist Community Church in Lake Villa on June 19. The Rev. Virgil H. Smith officiated at the wedding.

The bride is the daughter of Mrs. Edward Rundgren, Lake Villa. The groom is the son of Mr. and Mrs. Marvin Heath, Rinear Road, Antioch.

Miss Bobbie Arndt was maid of honor. Best man was Brian Elliott. Tony Urban and Charles Rundgren, brothers of the bride, served as ushers.

A reception was held at the Angels. The young couple honeymooned at the Wisconsin Dells, and are living at the Colonial Apartments in Antioch.

Where The Boys Are

USS HARRY E. YARNELL (DLG-17) June 18—Electrician's Mate Third Class George R. Camphouse, USN, son of Mr. and Mrs. George A. Camphouse of Drexel Blvd., Antioch, is serving aboard the guided missile frigate USS Harry E. Yarnell, participating in the 1965 Midshipman Cruise in the Caribbean Sea.

RECEIVES DEGREE FROM ROCKFORD COLLEGE

Georganne Lathom, a 1961 graduate of Antioch High School, received her Bachelor of Science degree from Rockford College at the graduating ceremony June 6.

The Swedish American Hospital in Rockford awarded her a diploma for one year's service as a student of the Pathology department under the supervision of Dr. Paul A. Van Pernis.

Jan has accepted an offer from the hospital to remain on the staff as a Medical Technologist after her M.T. degree is awarded to her by the Registry of Medical Technology in July.

Jan is the daughter of Mr. and Mrs. George Lathom of Grass Lake.

ON DEAN'S LIST OF HONOR STUDENTS

Miss Karen Lightsey, daughter of Mr. and Mrs. Daniel H. Lightsey, Rte. 2, Box 26, Antioch, and Miss Marilyn Gras, daughter of Mr. and Mrs. Frederick Gras, Rte. 4, Box 74, Antioch, were among those honored for scholarship at Carroll College for the second semester of this school year.

Miss Lightsey was one of 18 straight-A students with a perfect 3.0 grade point average. Miss Gras was one of 74 who made a grade point average of 2.50 or better.

ATTENDS CONSERVATION WORKSHOP

Conservation study took 44 students to Northern Illinois University for a one-week workshop.

Laurie Markwart, Rte. 3, Antioch, sponsored by the Antioch Garden Club, is attending the workshop.

Activities for the first workshop include meetings with guest lecturers, and field trips to sites such as the Kishwaukee Bird Sanctuary and NIU's Lorado Taft Field Campus near Oregon, Illinois.

VISIT HERE WHILE AWAITING TRANSFER

Mr. and Mrs. Donald Soder and daughters, formerly of Oakwood Knolls, are back in the vicinity and visiting their many friends.

The Soders have resided in Virginia Beach, Virginia, for three years. Don, an employee of Frank G. Hough Co., has been transferred to Columbus, Ohio. The Soders are awaiting the completion of their new home. In the meantime, the family is living with Mrs. Soder's parents, the George Lathoms, of Grass Lake.

SMOUSE FAMILY HOME FROM TRIP

Mr. and Mrs. Kenneth Smouse and family returned home Sunday after spending several days with Mrs. Smouse's parents, the Rev. and Mrs. Isaac Scherpenisse, at Farber, Missouri. They also attended the ordination ceremony of Mrs. Smouse's brother, Richard, as a Presbyterian minister. He will be pastor of the Presbyterian church at Galena, Kansas.

VISIT SON AT FORT KNOX

Mr. and Mrs. Howard Gaston spent the weekend with their son, Homer, who is stationed at Fort Knox, Kentucky.

BIRTH NOTES

Mr. and Mrs. Robert Schmoeyer, 344 Park Ave., Antioch, are the parents of a new daughter, Kimberly Lynn, born at 9:10 a.m. on June 23 at Condell Memorial Hospital. Kimberly weighed 6 lbs. 8 3/4 ounces.

VISIT MOTHER HERE

Mr. and Mrs. Phillip Gray and children of Bozeman, Montana, were guests of Mrs. Gray's mother, Mrs. Orlean McKinney last week. Mrs. Gray is the former Iris McKinney, who taught English at the Antioch High school several years ago.

Mr. and Mrs. Edward O. Raether

E. Raether's Honeymoon In Western States

Miss Suzanne Marie Sonnenberg, daughter of Rudolph Sonnenberg of Antioch, and Edward Orlando Raether, son of Mr. and Mrs. Orland Raether of Kenosha, were united in marriage at 10 a.m. Saturday, June 19, at St. Paul's Lutheran Church of Waukegan.

The bride, given in marriage by her father, wore a cocktail length gown of chiffon taffeta with V neck and long tapered sleeves and a

bell controlled skirt. A crown of hairbraids and pearls held her veil. She carried a bridal bouquet of roses and white carnations.

Mrs. Nell Houser served as matron of honor. She wore a cocktail length gown of Nile green chiffon with a picture hat. Her flowers were yellow carnations and nosegay. Donald Hauser was best man.

A reception followed the ceremony at Ted's Log Cabin. Their wedding trip was a tour of the western states.

Appointed Pastor Of Prairie View Church

The Illinois Conference of the Evangelical United Brethren Church appointed the Rev. G. Albert Murphy of Trinity Evangelical United Brethren Church, Lindenhurst, to fill the appointment as pastor of Prairie View Evangelical United Brethren Church along with his present appointment at the Lindenhurst Church.

The Rev. Murphy will conduct Sunday morning worship services at the Lindenhurst Church every Sunday morning at 9:30 a.m. and then he will conduct Sunday morning worship services at the Prairie View church every Sunday at 11:15.

This appointment was made at the annual conference which was held at North Central College, Naperville, June 21 through 24. The appointment is effective as of July 1.

Miss Vosburg Leaves County Red Cross

Miss Norine W. Clark, Rt. 1, Wadsworth, has been named regional administrator of the Lake County Region of the Mid-America Chapter of the American Red Cross, replacing Miss Charlie Vosburg.

Miss Vosburg has resigned to accept a position on the staff of the Midwestern Area office of the Red Cross, headquartered in St. Louis. Miss Vosburg had been chapter manager of the Lake County chapter of the Red Cross for four years.

Miss Clark has a working background in sociology, psychology and education. She began her career with the Children's Aid Society in Detroit. Her Red Cross career began in 1942 when she became acting executive secretary to the Hillsdale County, Michigan Chapter. Since then she has served in various areas.

"Even though they haven't a leg to stand on rumors have a way of getting around."

Lindenhurst News

By Mrs. Bernice Bernau
Elliot 6-5649

Prince of Peace Church
Reservations for the Annual Golf Outing, Sunday, July 11, are being taken. The Holy Name Society is sponsoring the affair.

St. Mark Lutheran Church
Pastor Lawrence Holst, Director of Pastoral Care, Lutheran General Hospital, Park Ridge, was the guest minister last Sunday, in the absence of Pastor and Mrs. Nelson who were spending the weekend at Turtle Mountain Church, Souris, North Dakota. The pastor was invited to preach at the morning worship at their 75th anniversary celebration. The Nelsons spent five years in the Souris Parish. Their daughter, Sonja, accompanied them.

Thursday's council meeting has been postponed for one week. They will meet on July 8, at 7:45 p.m.

Miss Maxine Lemke, 2006 N. Grandview Dr., Gurnee, daughter of Mrs. Edna Blessum, same address, and Mr. William Lemke, 490 Windsor Dr., Antioch, will be united in marriage Saturday, July 3, at 5:30 p.m., to Larry Zerr, son of Mr. and Mrs. Edwin Zerr, of Woodbine Ave., Antioch. Reception will be at the Sail Inn following the ceremonies, for about 100 guests.

Flowers for the church Sunday were provided by Lawrence and Barbara Herbert on their 7th anniversary, and by William and Lorraine Shuts on their 18th anniversary.

The church picnic will be held at Lutherdale Bible Camp, Sunday, July 11.

Mrs. Fred LaChance was Superintendent of the Vacation Bible School at St. Mark's the past two weeks.

New Officers
Mr. and Mrs. William Shuts were elected presidents of the Couples Club of St. Mark Lutheran Church at Sunday's meeting of the club. Also elected were Mr. and Mrs. Maitland Harvey, vice presidents; Mr. and Mrs. Bertil Langager, secretaries; and Mr. and Mrs. Roy Jacobs, treasurers.

The outgoing officers were Mr. and Mrs. Ed Erber, presidents; Mr. and Mrs. James Alfredson, vice presidents; Mr. and Mrs. Kenneth Weber, secretaries, and Mr. and Mrs. James Shanahan, treasurers.

Luther League Farewell Party
Eighteen youngsters spent

the afternoon at Cedar Lake Park Sunday afternoon having a farewell party for Masaji Okubo, the Japanese foreign exchange student who stayed at Pastor Harold Nelson's home the past year. They presented Masaji with a set of religious book ends and a picture of Christ.

Ed Bernau Visits
Visits Bernau, Germany

While serving with the armed forces in Germany, Pfc. Ed. Bernau recently visited Bernau, Germany. There are actually seven or eight Bernaus in East and West Germany, and he has no way of telling from which one his ancestors may have come. In checking out an old cemetery, he found no Bernaus buried there. The name means "a large forest filled with bears." This town is around 7 or 8 hundred years old, has about 5,000 population and is said to be the best beach and boating resort in Germany. The town has a crest, but since none of the people there spoke English, and Ed speaks just what German he learned in high school and what he has picked up over there, he had to figure out most of the town's history by himself. In Ed's words, "What a feeling to look everywhere and see your name up all over!" He still hopes to visit the other Bernau villages.

Men's Club Meeting
The Lindenhurst Men's Club will meet Thursday, July 1, at 8:15 p.m. in the Civic Center.

Women's Club Program
Mr. William O. Webb from the Mental Health Society in Waukegan will be the guest speaker at the July 8 meeting. He will show a film, starting at 9 p.m.

Birthdays
July has a lot of birthdays. Many happy returns to Valerie Dee English, Christine Bethely, Anne Hartokollis, Mark Filwett, Jackie Cook, Donald Dutcher, Kevin Gibbons, Patty Scharz, Steven Hartokollis, Michael Wismer, Gregory Tomasik, Milton Lazansky, Donna Marie Povillaitis, and Brian Lindberg.

Visitors
Jim and Blanche Babor of Lyons were surprise visitors in the Bernau home Monday morning. Blanche and Bernice worked together for Ziff-Davis Publishers before Bernice moved to Lindenhurst. Mrs. Babor spends her weekends at Lake Catherine, but this was the first chance she had to look up her friend.

4-H Achievement Day
The Lindenhurst Daisies 4-H Club will hold their Achievement Day Wednesday, July 7, at St. Mark Lutheran Church in the all-purpose room. The girls will serve a dessert luncheon to their mothers, starting at 1 p.m.

Mrs. Edith Westberg, leader, was chaperone for 14 girls and 2 boys from Lake County who were delegates at Urbana State University for 4-H Club Week. The youths, who were from all over Illinois, were all around 16 years of age. Each delegate attended two work shops and one career tour. The theme was "4-H Future and You." 500 boys were among the 1,625 delegates. A square dance and ballroom dancing, closed the convention Thursday night.

Mary Paulsen of the Millburn Maidens and Skip Johnson of Libertyville were chosen to be on the continuation committee.

"Nite-Owls"
Helen Mindak was hostess to her canasta club, the Nite-Owls, last Friday evening. The winners were Bert Harvec, Dolores Povillaitis and Ellen Marsh.

Anniversaries
Happy anniversary to Ray and Millie Caldwell on their 21st wedding anniversary July 6.

Marie and Claude Anderson were married 8 years on June 22.

Gene and Marylon Biaggi 23 years June 21.

Other folks in the area celebrating anniversaries: Bob and Maggie Dunlap on July 1; Mr. and Mrs. L. Chase, Jr., on July 5; Chuck and Jean Madsen on the 8th; Ken and Jan Kanable on the 10th; Mr. and Mrs. David Hay on the 18th and B. W. and Joyce Bonfoey 5 years on July 12.

Special Events
Don't forget these special events coming up: Ivy Cancer Card Party July 13, at 8 p.m. at the Lindenhurst Civic Center.

Prince of Peace Altar and Rosary Sodality Salad Bar Luncheon and Card Party, July 21 at noon.

And the VFW Salad Bar Luncheon and Card Party on July 28 at noon. All of these events are looked forward to, by those who attend every year.

Going Into Service
Ray Partipilo left Thursday to go into service. At this writing he doesn't know where he will be going.

His brother Ronald was discharged from the army last month, after serving in Korea. Ronald lives in Chicago with his aunt.

Sunday afternoon, the Par-

Lake Villa News

By Mrs. Fred Bartlett
Lake Villa 356-5372

V.F.W. Items
The Lake Villa V.F.W. Post and Auxiliary will sponsor an "A Luau" Saturday, July 10, at the Post home on Soo Line Road and Grand Avenue, Lake Villa. There will be a reasonable cost for the dinner and dancing. This is the first time a luau has ever been held by the two organizations. Come in costume, with your grass skirt, and enjoy dancing.

Plans are being made for the annual steer-roast, sponsored by the VFW Post to be held August 7. It will be held on the Post grounds.

Tickets will be available shortly. Only a limited number are being sold, so get your ticket early, that is, if you plan to attend. Club president Ace Minne and his committee are busy assembling the list.

The VFW Auxiliary meeting will be held July 7, at 8 p.m. Newly elected president Evelyn Whitmore will preside.

Robert Whitmore, a member of the Lake Villa VFW Post, was elected Jr. vice-commander of the Fifth District at a meeting held in Marengo recently.

An award night was held recently at Downey hospital. The following received awards for their work at Downey: Kay Keating, Evelyn Whitmore, Arlene Slazes and Arlyn Popp. Frances Barnstable received a citation from National Headquarters for her outstanding work in the Auxiliary and Post.

Royal Neighbors
There will be no meeting of the Royal Neighbors of Cedar Lake Camp Tuesday, July 13. Their next meeting will be Tuesday, July 27, at 8 p.m.

Visitors
Mr. and Mrs. Fitzgerald of St. Petersburg, Florida, were visitors Sunday at the home of their daughter, Mrs. Patricia Hamm.

Mr. and Mrs. William Simonsen and family of Venetian Village were visitors. tiplos had a little excitement at their home when their 23-year-old niece, Miss Barbara Jean Wachulski, who was visiting them, took a fall on the driveway while using her little cousin's skateboard. Miss Wachulski was taken to St. Therese Hospital by the family. It was found she had sprained her back.

Thursday evening at the home of Mr. and Mrs. Fred Bartlett, Jr.

Mrs. Stanley Hollis of Waukegan visited relatives in Lake Villa Friday.

Norman and Everett Nelson of North Chicago visited relatives in Lake Villa Saturday.

Mr. and Mrs. Louis Gallger of Milburn, Ill., visited the Frank Gallger home Sunday.

Mr. and Mrs. Elmer Keisler of Antioch were visitors Sunday at the homes of Mr. and Mrs. Elmer Sheehan and Mrs. Frank Slazes, Sr.

Linda Ladewig and Debbie Latus returned from a two weeks vacation in Florida.

Sharon Slazes was godmother to Maureen Lyn McGrain, who was baptized last Sunday. Maureen is the granddaughter of Mrs. Frank Slazes, Sr., and daughter of Mr. and Mrs. James McGrain of Waukegan.

AN HOUR IS A LONG TIME
Suffering with a mild stomach complaint, a Birmingham woman was advised by her doctor to drink hot water an hour before breakfast every morning. The patient took her leave and in a week returned to the doctor's office saying she felt much worse.

"Did you follow my advice and drink hot water an hour before breakfast?" the physician wanted to know.

"I did my best," said the patient, "but I couldn't keep it up more than ten minutes at a stretch."

Fun and Music At PM&L Theatre

An old fashioned Fourth of July celebration is in rehearsal at the P.M.&L. Theatre. Audiences won't have a chance to see it this coming Sunday, however, for it's a part of "The Music Man."

July 16, 17, 23, 24, and 25 are the performance dates of this musical comedy by Meredith Wilson, and the Fourth of July scene is but one of several parts of the show that promise fine entertainment.

Bob Koemoud's sets of River City, Iowa, in 1912 will provide the locale for the story of one professor Harold Hill (played by Wes Camp), a "bell-ringer" big haul, neck-or-nothing, ever-lie-a-bull's-eye salesman.

The Professor sells instruments and uniforms to the townspeople on the promise of teaching its new school band members to play. This would be fine, if Harold Hill could read music, which he cannot do. He does manage to fall in love with the local librarian, Marion Paroo (played by Jaja Cardiff).

which prevents him from leaving town with the money from his supersalesmanship. His plan is exposed. The town and the librarian forgive him when they realize that the city it a happier one, if poorer, for his presence.

The chorus, directed by Ralph Brook, will do its part in creating the warm, happy mood of the show with its numbers: "Iowa Stubbard," "Pick-a-Little, Talk-a-Little," "Wells-Fargo Wagon," and "Shipoo!"

Youngsters have featured roles in "The Music Man." Laurie Davis and Pam Hunley will alternate in the role of Amaryllis. Rickie and Jerry Smouse will alternate in singing Winthrop Paroo's solos in "Wells Fargo Wagon" and "Gary, Indiana."

Wes Camp as Harold will carry many of the top songs, including "Ya Got Trouble," "Seventy-six Trombones," "The Sadder-but-Wiser Girl for Me," and "Marian the Librarian."

Maja Cardiff as Marian will have solos in "Goodnight My Someone," "My White Knight," and "Till There Was You."

Bob Thomley as Marcellus Washburn will take the stage for his "Shipoo!" number. Tickets for "The Music Man" are available at Candy Lane on Lake Street or can be ordered by phoning 395-3611.

There are two kinds of people who complain about taxes—men and women.

THE ANTIOCH NEWS 5
THURSDAY, JULY 1, 1965

Occupational Tax Stamp Deadline July 31, 1965

Here is a reminder from Internal Revenue on occupational tax stamp requirements.

July 31 is the deadline for certain businesses to register with their District Director of Internal Revenue and pay for occupational tax stamps for the fiscal year ending June 30, 1966. District Director E. C. Coyle, Jr., in Chicago announced.

This provision of Federal tax law applies to all businesses which maintain for use or deal in or with Coin-operated amusement devices (use Form 11-B) Bowling alleys, billiard and pool tables (use Form 11-B). Adulterated and process or renovated butter (use Form 11).

Filled cheese (use Form 11).

Detailed information on this subject is available in Document 5057 which may be obtained upon request from the Internal Revenue Service.

Tuberculosis most commonly attacks the lungs, yet it often is found in other parts of the body such as bones, joints, and the lymphatic, reproductive, urinary and digestive systems.

To Dedicate New Mental Health Center

The Charles F. Read Zone Center will be dedicated by Governor Otto Kerner at 2 p.m. on Wednesday, July 7.

The Zone Center and the Read clinic are the first to be activated among a projected eight under Illinois' new concept of treatment for the mentally ill. All public and private mental health under the administrative purview of zone director, Dr. Woloshin, a 35-year psychiatrist.

There will be short addresses at the dedication by Governor Kerner, Harold M. Vistovsky, M.D., state director of mental health, Francis J. Gerty, M.D., former state mental health director and Arthur M. Woloshin, M.D., Chicago North Zone II director who maintains offices at the Read Clinic.

Issue Probationary Permit To Driver

The office of Secretary of State Paul Powell has announced that a probationary permit to drive has been issued to Thor E. Peterson, 1006 Main St., Antioch.

AMIGO ANONYMOUS

From the Pleasanton, Cal., Times: "At a time when the federal government is spending some \$13 million to retrain 2000 teen-agers at one Job Corps Center . . . The first Amigo Anonymous group was sent into the slums of Mexico four years ago. . . Last summer 175 students went from the west coast into six small, isolated villages of Mexico. They travel south at their own expense, live with the Mexican families, operate without fanfare or fancy budgets. Their mission is simple: Do one thing to improve the lot of the village; provide the young people with new hope for the future. . . Perhaps the press ought to print more about college-oriented groups like Amigos Anonymous. . . There are just one heck of a lot of young Americans who place the Sermon on the Mount above that delivered from atop some soap box by a bearded minstrel."

THAT'LL LARN HIM

Taken from the Denver, Colo., Record Stockman: "In 1955, Durland L. Wallace overplanted the 35-acre wheat allotment on his 157-acre farm on the high, windswept plains of northern Kansas. Because of his abundant harvest, he was unable to receive a federal loan and further prohibited from selling any of the crop. . . So, in defiance of U. S. Department of Agriculture regulations, Wallace put his bountiful harvest to use as feed and seed, sold some to neighbors, and traded more locally for corn. Suit was brought against Wallace in the U. S. District Court in Topeka and in March, 1958, he was fined \$795.53. Wallace declined to pay. . . The years went by and interest on the fine accumulated. . . Last January . . . Wallace paid the original fine plus some costs and redeemed his farm. . . Perhaps he finally realized the facts of life in these United States that a farmer may not farm his own land without the government telling him what to do and that, in truth, few people really care."

SHORTAGE OF SLEEP

"Doctors tell us that you can not skimp on sleep forever. And the guy who tries to do so will pay for his temerity. No doubt about it, the fellow with a sustained sleep deficit will sooner or later impair his health, his social relationships and his job efficiency—and it goes without saying his friendly relationships with the boss of the house and the family."

"Doctors say that the indications of sleep shortage are the following:
"Poor timing and muscular control.
"Loss of hearing.
"Reduced sense of touch, temperature and pressure.
"Increased irritability, depression and discouragement."

"The article states that an easy way to determine whether you are getting enough sleep is to try to arise without the alarm clock for a few mornings. If you can wake up without the alarm, and not doze off during the day, your sleep schedule is okay."

DEATH NOTICES

ARTHUR L. ANFENSON

Mr. Arthur L. Anfenson, 68 years old, of Trevor, Wis., passed away on Sunday, June 27, at the Veterans' Administration Hospital at Wood, Wis., where he had been confined for 5 days. Death came after a two month illness. He was born Sept. 1, 1896 in Kelly, Iowa and moved to Chicago in 1922 where he operated a painting and decorating business until moving to Trevor in 1952. He had served in the Army during World War I.

Mr. Anfenson married Margaret Placentine in Albert Lea, Minn. She preceded him in death on July 26, 1962. Survivors are two sons, Gene Anfenson and Jerry Placentine, Franklin Park, one daughter, Mrs. Angelo one daughter, Mrs. Angelo (Bernice) Nasello, Trevor, Wis., with whom he resided, six brothers, Ray, Alameda, California; Martin, Pasadena, California; O. L., Nevada, Iowa; Omar, Long Beach, Calif.; Herbert, Austin, Minn.; Leonard, Meeks Bay, Calif.; two sisters, Mrs. Birdie Bunde, Watertown, S. Dak.; Mrs. Ole K. Lee, Albert Lea, Minn.; and five grandchildren.

Funeral services were held at 10:30 a.m. on Wednesday, June 30, at the Strang Funeral Home in Antioch. Interment was in Holy Name Cemetery at Wilmot, Wis.

Attends Band Camp At Eastern Illinois

A total of 255 high school students from 105 Illinois communities are attending the first week of band camp at Eastern Illinois University. The three-week music camp series opened last week with chorus and piano activities. A second band camp is scheduled next week.

Barb Casella, Antioch High School, is attending the band camp.

Lake Villa
Little League

By Bernice Bernau

The standings in the Lake Villa Township Little League were considerably changed as a result of games played during the week of June 21-25. The Dodgers moved into the top spot by defeating the league-leading Angels, 3-2 in a very close game. The two losses suffered by the Angels this season were in games with the Dodgers. The Angels are now in second place, one-half game behind the Dodgers.

The Yanks, by virtue of their win over the Cubs, advanced to third place, one game behind the league leaders. The previous third place Pirates lost two games during this period and dropped to fourth place, 1 1/2 games out of first place. The last year's champions, the Giants, looked like the Giants of last year in defeating the Pirates 9 to 3.

All-Star Baseball
Game At Little
League Park Sunday

There will be an All-Star baseball game at the Antioch Little League Park at 2 p.m. Sunday, July 4. The best players of the two Little League Divisions will be pitted against each other.

National Safe
Boating Week
July 4-10

There has been a vast increase in recreational activities in this country, a result of the combination of higher family incomes and increased leisure. Boating has been among the leaders. It is enjoying a boom of sensational dimensions just about everywhere there's water enough to float a hull. And boating is a fine and healthful sport.

The "if" has to do with safety. For boating accidents and casualties have soared too. And their root cause is ignorance of the basic rules that spell safety. During the July 4-10 period, National Safe Boating Week is to be observed. It certainly is needed. Here are a few fundamental rules and precautions that every boater, regardless of the size and kind of his craft, should observe:

Don't overload. This is one of the surest roads to disaster. Carry at least one Coast Guard Approved life-saving device for each person aboard a motorboat.

WESTERN
OPEN
TICKETS

See golf's top pros battle defending champ "ChiChi" Rodriguez at famous Tam O'Shanter on July 1, 2, 3, 4. Tickets now available by mail order. Write to Western Golf Assoc., Golf, Ill., or call KE 9-4600. Make checks or money orders payable to "Western Open". Prices include tax.

Pouring gas from an auxiliary can into outboard motor tanks may lead to dangerous spills and the release of explosive fumes. Refueling tanks are available to eliminate this danger.

Watch out for other craft and for troubles your wake may be causing—you are responsible. Learn various distress signals.

Learn the rules and the laws—and, beyond that, use common sense.

AUTO RACES

WAUKEGAN SPEEDWAY

--- SATURDAY & SUNDAY NIGHT ---

• SATURDAY NIGHT —
35 Lap Late Model Championship and Jalopies.

• SUNDAY NIGHT —
July 4th — 50 Lap Modified Championship & Added Attractions.

Gates Open — 6:30 p.m.
First Race — 8:30 p.m.

PACE CAR COURTESY G. L. MILLER
1/4 mile east of Route 41 on Washington St.

RAY FAULKNER had his car demolished after spinning while leading the feature race. Faulkner was driving car 57. Others involved are Jim Cossman, Tobie Aaron, Barry Hofflander (80), Odell Jones, John Hood (27), Dennis Burgan and Jack Ester.

Becker Winner
In Wild Race

Ken Becker was declared winner of the thrill-packed Waukegan Speedway late model feature Saturday night after leaders Jim Cossman and Dennis Burgan were penalized. Action was hot all night as three track records tumbled, three rollovers occurred, and a series of accidents changed the outcome of several races.

Burgan shattered the one-lap qualifying mark to open the evening. Then Cossman recoiled to snatch the trophy dash in record time. Burgan pushed his convertible past Cossman in the sixth lap of the second heat race, took the lead on the eighth, but lost by inches to Cossman, to set the stage.

Present point leader, Burgan, charged into the lead in the fourth lap of the feature, but last year's champion, Cossman, was right on his bumper. After running bumper to bumper for 14 laps, Cossman powered into the lead with three laps to go. With positions reversed, Burgan raced side by side with Cossman taking the lead in the curves, but falling back down the straight-aways.

They dueling fender to fender to take the white flag, bumped several times in the backstretch. Both cars darted into the infield at full bore, scattering safety crews and cameramen. Cossman spun and Burgan returned to the track, but starter Frank Pinter reserved the checkered banner for Becker who had been running third. The official decision penalized both Cossman and Burgan one lap for cutting through the infield and awarded Becker the win. Jim Luther settled for second spot, the sixth time this season, and Jack Ester inherited third.

Jalopy action found Royale and Gerry Pye returning to the winner's circle and Mike Yeary grabbing the figure 8 honors. Two serious looking accidents highlighted activities. One saw big winner Butch Anderson flip his Chrysler and have it catch on fire; while in the other, Pete Dukas turned turtle with Bob Klemm ending up atop his car. Dukas was trapped in the car for over five minutes as the roof was crushed. . . . in one spot below the dashboard; however Dukas finally squeezed out under his own power, suffering from only cuts and bruises. The team demolition contest found Butch's Auto Parts winning over Andy's Auto Salvage team.

Next Saturday night, Waukegan Speedway will hold the holiday late model races with a 35-lap feature on tap. Then on July 24th, the mid-season championship events will be contested.

Starter Frank Pinter narrowly escaped injury when the lead car in the first heat race, driven by Jim Clark, Waukegan, broke an 'A' frame and streaked across the exact spot that Pinter had occupied a split second before.

Bob Gile, of Libertyville, escaped injury when his Ford flipped while running second in the last lap of the first heat.

In the third heat race, Ray Dixon lost the lead to Becker when his Chevy nearly flipped in the first curve.

Odell Jones had to withdraw his convertible from the evening's races after being involved in a seven-car pileup in the second heat. Jones was second fastest

qualifier and finished second in the trophy dash.

Four convertibles joined the activities Saturday night and more are expected in the near future.

Andy's Auto Salvage has posted a \$20 award to be given to the first driver to take a double flip next week. Rumor is that several jalopy pilots are thinking about trying it in the warmup laps before the races.

Motorcycle Races
Return To Speedway

Professional motorcycle racing will make its first appearance at the Waukegan Speedway after an eight year absence, as the two-wheelers return to take over the action on Friday night, July 9.

A full evening of racing will be featured which will include four heats, two semis, a trophy dash and feature and several added non-qualifiers' races. About 40 racers are expected for the program with the pre-race entry list already listing racers from eight different states including California, Washington and Oklahoma.

Also in the line-up will be two Waukegan racers, Darrell Dovel, top expert flat tracker in the country in 1963 and Bill O'Brien, top novice short tracker last year and winner of the novice-amateur short tracker last year and winner of the novice-amateur short track national championship.

The racers will seek to challenge the speeds of the late model and modified stock cars which run weekly at the local track. Featured attraction of the motorcycle races are that they are not equipped with brakes and a racer must depend entirely on the throttle and a kill button to maneuver the machine.

Practice will be at 7 p.m., with time trials at 8, and the first race at 8:30. Saturday night, the program will move to Lakefront Stadium, Kenosha, and will feature a similar program on a quarter mile cinder track.

Spins, Flips, Crashes
At Wilmot Race Track

Amid the best weather so far, fans at the Kenosha County Speedway in Wilmot saw the most exciting races so far this year. There were crashes, spins, flips, and lots of close racing that sent them home talking about the excitement of the races.

The 25 lap feature race was so good that not even the last place car was ever in danger of being lapped by the leaders. Bay Darnell of Deerfield started on the pole and led throughout the distance but had to battle with Duane Harris of McHenry for the win in all but the first two laps. They never were far apart as Harris went into the corners alongside of Darnell only to lose ground coming out. Behind them several cars ran very tight with Bill Bohn of Bristol finally breaking out of the pack to nail down third. Bill Strom of Milwaukee took fourth after riding on the outside most of the distance.

Heat race winners in the 10 lap heats were: Lauren Lawrence, Kenosha; Erickson, Ratajczyk, and Rodger Otto of Burlington. Otto scored the fastest time in the heats as he averaged 53.76 MPH.

Chuck Uttech of Kenosha was the fastest qualifier in time trials for the modifieds

Car Crashes When Gas
Pedal Sticks At Races

Two hometown men won the feature races at the Waukegan Speedway Sunday night. Harold Wade took his first checkered flag of the season in a big way by grabbing the 25-lap modified stock car feature and Jim Cossman swept the late model events, seizing the lead on the final lap.

After two restarts, Homer Ansell took command of the feature event. Wade charged up, trailed Ansell for eight laps and then claimed the lead on the fifteenth circuit. With a fine exhibition of driving, Wade outdistanced Roger Otto and Bob Ratajczyk. John Reimer swept by Ken Thorgan to grab fourth spot on the final lap.

Al Gutche led the late model feature until the eighth lap when the second fastest qualified, Dennis Burgan, inched ahead. Pop Kline spun in front of the leaders and pinned Burgan's blue convertible against the wall, with Gutche jumping back into the lead. Fast qualifier Cossman worked his way into second on the tenth lap and finally edged Gutche down the backstretch on the final lap to triumph.

Spectacular Accident
In the fourth modified

Lake Villa Babe
Ruth League

By Bernice Bernau

The Lake Villa Township Babe Ruth League standings were not altered by the play of last week. The big game between the Sherwood Park Tigers and the Ringa Mets was postponed.

In other games, the Colts defeated the Indians by a score of 13 to 1, but lost to the Twins 12 to 9. The Cardinals, last year's champions, won their first game of the season by defeating the Indians 9 to 0.

Standings of the Babe Ruth league are as follows:

	WL	%
Ringa Mets	4-0	1.000
Sherwood Park		
Tigers	2-0	1.000
Engle-Colts	3-2	.600
Lauder-Ezo Twins	2-4	.333
VFW Indians	1-3	.250
Western Severage Cardinals	1-4	.200

heat race, Ken Bergsma challenged Otto for third spot on the final lap, but lost. Unfortunately, Bergsma's accelerator stuck wide open and he sped into the first turn at full bore, the race already completed. The 426 cu. in. Plymouth rammed the wall nearly head-on, taking a vicious churning flip, smashing roof first into the cement wall again. The expensive modified was demolished, but Bergsma emerged with only bruises. Earlier in the evening, Claude Potter was shaken up when his modified struck the pit wall during the trials.

Holiday Events Scheduled
Next weekend Waukegan Speedway will present a big holiday card of races. Saturday night, the late models, hardtops and convertibles, will be featured in a special 35 lap feature and then on the fourth, the modifieds will tangle in a 50 lap feature.

Antioch Landscaping
Leads Golf League

The Antioch Landscaping team is leading the Spring Valley Golf league with 30 points to date.

The handicap league is made up of 12 four-man teams, playing matches weekly.

Following Antioch Landscaping in scoring is Tom's Luggage, 22 points; Antioch State Bank No. 2, 21; Meadow Mill Produce, 20 1/2; Antioch State Bank No. 1, 18; Gibbs & Jensen, 17 1/2; Silver Lake Hotel, 17 1/2; Decker's Tavern, 16 1/2; Paddock Lake Realty, 14 1/2; Antioch News, 14 1/2; Antioch Lumber, 14; and Louie's Log Cabin, 10.

The league plays on Thursday nights. Low gross scores last Thursday were shot by Bob Jungkans, 37; Jack Fields, 38; Chapman, 40, and Lars Steffenberg, 40.

Lot net scores were shot by Chapman, 32; Dick Daniels, 33; Derckum, 33, and Larry Beck, 33.

Tuberculosis is not inherited. To get TB you must catch it from a person who has the active disease.

as he averaged 55.24 MPH. Harold Gutchie of Kenosha led the parade of spectator qualifiers as he averaged just under 50 MPH.

Popular spectator driver Pop Kline of Pell Lake was a double winner in the spectator action that saw Jack Dehline of McHenry crash off the track, knocking down the track signal lights. Kline won a heat and the 15 lap feature.

Harold Gutchie, current 1964 spectator champion and point leader in 1965 won a heat and was second to Kline in the feature race.

Duane Harris continues to lead the modified stock car driver standings but by a narrower margin.

Another thrilling night of racing will lead off the July 4th weekend next Saturday night at the Kenosha County Speedway and then on Sunday night there will be a free gate for the huge fireworks display at dark.

Camp Wonderland Gives Needy Summer Vacation

Vacation days filled with fun and activity are in store for the 225 needy youngsters and their mothers from the Chicago area who will be the first guests of the summer at The Salvation Army's Camp Wonderland located six miles northwest of Antioch.

The campers left in six buses from the Army's Temple Corps, 1512 W. Madison st., at 9:15 a.m. on Wednesday, June 30, bound for Camp Lake, Wis., and nine days of vacation in the country.

Camp Wonderland will be a wonderful vacation for children and their mothers—225 at a time—for nine-day periods through July 29. Groups of 175 men and women who are 60 years of age and older will have their turn at the outdoor life during the next two camp periods: July 31-Aug. 9 and Aug. 10-18. This summer marks the fourteenth season that The Salvation Army has held camping sessions for senior citizens.

In a special wooded area of Wonderland known as Camp Shagbark, 175 girl guards from the Army's Northern Illinois Division will camp June 28-July 5. Approximately 175 young musicians—boys and girls—will follow them July 5-11 for a divisional music camp. Some 300 Sunbeams held a weekend camp June 25-27.

Throughout the summer, nearly 100 other boys scout troops from the Chicago area also will enjoy Shagbark's facilities.

Camping fun is a tradition of 61 summers with The Salvation Army in the Chicago area. The Army has been host to thousands of the needy since the first "fresh air camp" was held on a farm near Glen Ellyn in 1904 and the campers made the trip from Chicago in open touring cars. The present 70-acre rolling woodland location, acquired in 1924, is on County Highway SA.

Eighty-seven buildings—cottages, cabins, recreation buildings, dining halls and other facilities—are scattered over the camp area.

One of the foremost attractions at Camp Wonderland is

Center Lake with its opportunities for swimming, boating and fishing. The recreational program also includes group games, hikes, picnics, campercraft, woodcraft, classes in swimming, handicrafts and nature study, stunt and amateur programs, campfire and council ring sessions, outdoor band concerts, movies, trips to neighboring farms and overnight outdoor camping for the older children.

A staff of four in the nursery cottage helps care for the babies and toddlers to give their mothers a "real vacation" and allow them to participate actively in the camp recreation program. A large fenced yard with sand box, swings and other play equipment for the toddlers surrounds the cottage. Inside the nursery are rooms for play, naps and dining, as well as bathing and dressing facilities. The main supervision of the nursery is under the registered nurse who also serves as the camp nurse.

Guests at Camp Wonderland are selected by the Army's Family Service Division on the basis of need for a vacation, without distinction as to color or religion. Referrals are accepted from other Salvation Army departments and corps, and from Chicago's other social agencies. This summer 25 agencies will be represented. Before going to camp each guest has a physical examination.

Capt. Paul Marshall, 1340 N. Mason ave., of the Army's Metropolitan Welfare Department staff, is director of Camp Wonderland this summer.

Nothing is so hard on a woman's clothes as another woman.

CHRISTIAN SCIENCE
RADIO SERIES

9:30 a.m. on WAIT (820 kc.)
8:00 a.m. on WLS (890kc)

This week's Christian Science program

July 4, 1965

"FREEDOM IS YOURS!"

All men—Have a just and undeniable right to be free—free to think and act without fear—free to stand as an equal to anybody, anywhere. This program develops why this should be. It helps us to understand the deep, spiritual basis for freedom—not just political freedom, but freedom from fear and ignorance.

Procedure For Reporting Child Abuse Is Told

Brochures describing how the new Illinois child abuse law will work are being mailed this week by the Department of Children and Family Services.

They are being sent to some 23,000 Illinois physicians, surgeons, dentists, osteopaths, chiropractors, pediatricians, Christian Science practitioners and hospital administrators. These are the persons who must report suspected cases of child abuse to the department under the law that takes effect July 1.

Dr. Donald Brieland, department director, said brochures are also being mailed

to sheriffs, police chiefs, judges, state's attorneys, welfare agencies, school administrators, public health departments, public aid superintendents and news-media.

"There are two keys to make the law work to save children from brutal beatings and neglect," he said. "One is making people aware of the law. The other is encouraging those covered by the law to file reports when they examine children whose symptoms indicate abuse or wanton neglect." The law grants physicians and hospitals immunity from legal action when they make reports.

Posters are being issued to hospitals for display in emergency rooms. They call attention to the usual kinds of abuse and alert doctors and hospital personnel to notify the administrator whenever they treat a child whose condition cannot be explained as accidental.

When the act against the child provides the basis for criminal action, the department will turn over the information to the state's attorney of the county having jurisdiction.

Dr. Brieland said mailing of brochures would be completed by July 1. After that time, interested persons or

agencies may obtain a copy by writing to the Department of Children and Family Services, Room 404, State Office Building, Springfield, Ill., 62706.

ERROR

"A weekly newspaper editor once made the remark that typographical and other errors in his paper were there because of the publisher's desire to provide something for every reader. Some readers, he explained, look mostly for errors, and thus this interest is satisfied."

Appoint Red Cross Fund Chairman

Mr. Harper C. Allan, Springfield, Ill., vice president, Alvin S. Keys and Company, Insurance, has been appointed 1966 Red Cross volunteer Illinois state fund chairman. Announcement was made by Robert Sarnoff, chairman of the board and chief executive of the National Broadcasting Company.

Sarnoff is serving his second year as national co-chairman of the Red Cross Campaign for Members and Funds. Serving with him in this appointment is Dan Williams, member of the Red Cross Board of Governors and president of Southland Life Insurance Company, Dallas, Texas.

Co-chairman Sarnoff conducted a meeting for state fund chairmen at the Red Cross National Convention in Detroit, where he previewed plans for the 1966 campaign.

In assuming responsibility for providing assistance to the campaign in Illinois, Mr. Allan is in the process of appointing state fund vice-chairmen to aid him in coordinating chapter, state and national planning. Some chapters are in united appeals, while others conduct independent campaigns. These volunteer leaders will be able to assist in both types of fund efforts.

The symptoms of tuberculosis are, coughing, spitting of blood, unnecessary fatigue, loss of appetite, loss of weight and fever. Usually these symptoms only show up in the later stages of tuberculosis.

THINK INDEPENDENT!
(OUR FOREFATHERS, DID)

Yes... this great country of ours was built on the strength of individuals. Their combined effort and talents helped mold the foundation for the many advantages we enjoy today as free people. In much the same manner as our forefathers, your independent IGA grocer has joined together with other IGA independents from coast to coast to give each strength. The combined buying power of these 5000 IGA stores makes it possible for you to buy a variety of top quality products at money saving prices. They are dedicated to serving you in every way possible to help make your shopping experience at IGA an enjoyable one.

AT IGA... WE REALLY CARE!
